

# ROOMS 2020

Radon Outcomes On Mitigation Solution

3 and 4 December 2020 – Fribourg

Preliminary program

ROOMS is a unique and important event for the radon community within Europe and beyond. It is an annual meeting, which aims to promote exchanges between countries on radon preventive and mitigation measures in new and existing buildings.

ROOMS 2020 will take place in Fribourg, Switzerland and will be jointly hosted by the Haute école d'ingénierie et d'architecture de Fribourg (HEIA-FR), the smart living lab, the Federal office of public health (FOPH) and the European radon association (ERA).

## Main theme:

- Management of radon risk in new buildings: processes, methods and techniques implemented and results

## Other topics:

- Improving effectiveness of radon mitigation measures and methods
- Indoor air quality and building energy retrofitting: how to deal with?
- Radon national action plans and radon community news
